Clare Orme – Locum Clerk to Walton on Trent Parish Council

AGENDA

1 To receive apologies for absence.

2 Variation of Order of Business (if any)

3 Declaration of Members Interests.

4 Public Speaking.

At the start of the meeting a period of not more than fifteen minutes will be made available for members of the public and members of the Council to comment on any matter already on the agenda. Where a member indicates they have a prejudicial interest but wish to make representation regarding the item before leaving the meeting, those representations must be made under item (c) below. (If the item to which representations or comments were made by a Member is on the Agenda the Member must declare that interest again and withdraw from the meeting during consideration of that item).

If the Police Liaison Officer, a County Council or District Council Member is in attendance they will be given the opportunity to raise any relevant matter. Members of the Council however will restrict Police matters they raise to those relating to their Council Ward.

Members declaring a prejudicial interest who wish to make representation or give evidence under the Code of Conduct relating to Agenda items shall do so at this stage.

- Further to forum and a recent Parish Meeting I have a point of contact for Speed watch and links for reporting traffic issues, I have also emailed in to the Police today encourage Seales activity with respect to traffic offences/speeding. If residents can email/report in on the links below it may encourage the Police into your villages. Charlotte Moss is the new Speed Watch Co-Ordinator for the force and has started doing some online training with groups so she can provide info on what is required and if they have some volunteers already she can do some training with them. She

may also have an idea of when it will get back up and running although I would imagine they are waiting for the Government statement next week before making any plans.

- Park Tracks Unfortunately this type of thing happens a lot in our parks and open spaces particularly over the winter. The only way that an offender can be caught is by getting images of them performing the act and a registration number. However, a number of these motorbikes don't tend to have a registration number which makes it more difficult to identify them. That said I think our Safer South Derbyshire Team have signage that can be put up at entrances to site. I can't remember the wording on the signage now but it warns of fines. I have copied Chris Smith our Communities Manager into this email so he can respond regarding the signage.

- Drakelow update 9.2.21 East staffs also brought this to my attention and we tried to retrieve the bags on 28th/29th January but only managed a couple as it was dangerous at the time. I informed East Staffs that we will go back to retrieve - and I will try and organise (if safe) for it to be done at the end of this week. - Someone will come down tomorrow and have a look. Just so you are aware we no longer have an in-house maintenance team on site and all such jobs we now have to source externally - so please bear with us
